

How It Works

Select a doctor & date

Select the doctor you'd like to speak with and a date and time that works for you.

Confirmation email

We'll send you an email to confirm the details including a link to join the video consultation.

Video consultation

When it's time for your appointment click on the link in your email to join the video consultation. You'll enter into a virtual waiting room and the doctor will call you into the consultation.
